SATURDAY EVENING, AUGUST 2.

DESCRIPTION OF CHRIST.—The following description of our Saviour was found among some papers brought from abroad by the late Capt. Sidney Smith Lee, a brother of Gen. Robert E. Lee, and formerly an officer of the U. S. Navy, and afterwards of the Confederate States Navy. It was handed to us yesterday by Gen. Fitz Lee, who found it while looking through an old chest containing his father's papers. The description was found in an ancient manuscript sent by Publius Lentulus, President of Judea, to the Senate of Rome:

"There lives at this time in Judea, a man of singular character, whose name is Jesus Christ. The barbarians esteem him as a prophet, but his followers adore him as the immediate offspring of the immortal God. He is endowed with such unparalleled virtue as to call back the dead from their graves, and to heal every kind of disease with a word or a touch. His person is tall and elegantly shaped, his aspect amiable and reverend, his hair flows in those beautiful shades which no united colors can match, falling in graceful curls below his ears, agreeably curling on his shoulders and parting on the crown of his head, his dress the sect of Nazarenes, his cheeks without either spot save that of lovely red, his nose and mouth formed with exquisite symmetry, his beard is thick and suitable to the hair of his head, reaching a little below his chin, and parting in the middle like a fork, his eyes are clear, bright and serene. He rebukes with mildness and invokes with the most tender and persuasive language—the whole address, whether in word or deed being elegantly grave and strictly characteristic of so exalted a being. No man has seen him laugh, but the whole world holds him in tears that the whole multitude cannot withhold their tears from joining in sympathy with him. He is moderate, temperate and wise; in short, whatever the phenomenon may turn out in the end, he seems at present to be a man of excellent beauty and divine perfection, every way surpassing man."

A question about Brown's Iron Bitters Answered.

The question has probably been asked thousands of times the past ten days, "How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would prescribe

IRON

Physicians recognize Iron as the best restorative agent known to the profession, and inquiry of Messrs. Powers & Weightman, Rosengarten & Sons, Keasbey & Mattison, Hance Bros. & White, or any other leading chemical firm will without doubt substantiate the fact that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that Iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of Brown's Iron Bitters no perfectly satisfactory iron combination had ever been found.

Brown's Iron Bitters does not injure the teeth, cause headache, or produce constipation—all other iron medicines do. Brown's Iron Bitters cures indigestion, biliousness, weakness, dyspepsia, malaria, chills and fevers, tired feeling, general debility, pain in the side, back or limbs, headache and neuralgia—for all these ailments Iron is prescribed daily.

Brown's Iron Bitters, however, does not cure in a minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In women the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clears up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember, Brown's Iron Bitters is the ONLY iron medicine that is not injurious.

The Genuine has Trade-Mark  And crossed Red lines on Wrapper.
